GEN. & REV. SECTN.
21 JUN 1921

From

B. JAYA RAM, Esquire, F.G.S.,
Director, Mysore Geological Department.

To

K. Matthan, Esq., B.A.,
Offg. Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.G.20602/Geol.92-20-2, dated 2nd May 1921, conveying the approval of Government to the Tata Iron and Steel Company, Limited, carrying on operation on only one of the three blocks held by them under Mining Leases Nos.148, 149 and 150 in the Mysore Taluq, and to their holding the other two blocks in reserve on condition that the minimum royalty payable annually in respect of the three leases shall be Rs.1760/-, I have the honour to forward herewith for the information of Government, a copy of a letter, dated 16th May 1921, from Messrs Tata Iron and Steel Company Limited, communicating their acceptance of the said condition. They state, however, that they understand that the tonnage which is mined from any one quarry will be credited against total minimum royalty. Their surmise is correct and I am informing them accordingly.

I have the honour to be,

Sir,

Your most obedient servant,

B. Jaya Ram

Director,
Mysore Geological Department.

re- Magnesite Lease.

We thank you for your letter No.1801, dated 10th instant informing us that the Government of His Highness the Maharaja of Mysore have kindly granted us permission to work only one of the blocks we hold under Mining Lease for Magnesite, holding the other two blocks in reserve.

We hereby accept the condition that the minimum royalty payable annually in respect of the three leases shall be Rs.1760/- with the understanding that the tonnage which is mined from any one quarry will be credited against this total minimum royalty.
